

HOUSE BILL 33

By Ragan

AN ACT to amend Tennessee Code Annotated, Section 55-8-198, relative to traffic violations based on surveillance cameras.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 55-8-198, is amended by adding the following language as a new subsection:

( ) Ninety-five percent (95%) of all revenues obtained from the use of a traffic light or speed monitoring camera shall be earmarked solely for educational needs of the local governmental entity under whose direction such surveillance system was installed.

All remaining revenue shall be distributed as otherwise provided by law.

SECTION 2. This act shall take effect July 1, 2011, the public welfare requiring it.
